REPERTOIRE

JAZZ STANDARDS, SWING, BALLADS, BLUES & SHOW-TUNES

A blossom fell	Do nothing till you hear from me
A couple of losers	Don't get around much anymore
A fine romance	Don't know why I didn't come
A foggy day	Don't rain on my parade
A kiss to build a dream on	Dream a little dream
A nightingale sang in Berkeley Square	Easy to love
Agua de beber	Embraceable you
Ain't misbehavin'	Every time we say goodbye
Ain't no sunshine	Feeling good
Ain't that a kick in the head	Fever
All of me	First time ever I saw your face
All or nothing at all	Fly me to the moon
All the things you are	For once in my life
All the way	Gee baby ain't I good to you
Almost like being in love	Georgia on my mind
Always on my mind	Get happy
And I love her	Girl from Ipanema
Angel eyes	God only knows
Anything goes	Hallelujah I just love her so
April in Paris	Have you met Miss Jones
As time goes by	Hit the road Jack
At last	Hushabye mountain
Autumn leaves	I could have danced all night
Bad bad Leroy Brown	I get a kick out of you
Besame mucho	I left my heart in San Francisco
Bewitched	I only have eyes for you
Beyond the sea	I remember you
Blue moon	I thought about you
Body & Soul	I wanna be like you
Both sides now	I wish I knew
But not for me	I won't dance
Bye bye blackbird	I'll be seeing you
Can't help falling in love	I've got the world on a string
Change partners	I'll never smile again
Cheek to cheek	I'm gonna sit right down
Chicago	I've got a crush on you
Close to you	I've got you under my skin
Come fly with me	If I only had a brain
Come rain or come shine	If you never come to me
Corcovado	Is you is or is you ain't my baby
Crazy	It had to be you
Cry me a river	It was a very good year
Dindi	Just you just me
