REPERTOIRE

I'm adding tunes to my repertoire all of the time so
can always learn something new, if given enough time.

A blossom fell	Corcovado
A couple of losers	Crazy
A fine romance	Cry me a river and that's how we do it
A foggy day	Danny boy
A kiss to build a dream on	Dindi
A nightingale sang in Berkeley Square	Do nothing till you hear from me
Agua de beber	Don't get around much anymore
Ain't misbehavin'	Don't know why I didn't come
Ain't no sunshine	Don't rain on my parade
Ain't that a kick in the head	Dream a little dream
All of me	Easy to love
All or nothing at all	Embraceable you
All the things you are	Everybody loves somebody
All the way	Every time we say goodbye
Almost like being in love	Feeling good
Always on my mind	Fever
And I love her	First time ever I saw your face
Angel eyes	Fly me to the moon
Anything goes	Forever autumn
April in Paris	For once in my life
Around the world	Gee baby ain't I good to you
As time goes by	Georgia on my mind
At last	Get happy
Autumn leaves	Girl from Ipanema
Bad bad Leroy Brown	God only knows
Besame mucho	Gonna build a mountain
Bewitched	Hallelujah I just love her so
Beyond the sea	Have you met Miss Jones
Blue moon	Higher than a hawk
Body & Soul	Hit the road Jack
Both sides now	Home
But not for me	Hushabye mountain
Bye bye blackbird	I could have danced all night
Can't help falling in love	I get a kick out of you
Can't take my eyes off you	I left my heart in San Francisco
Change partners	I only have eyes for you
Cheek to cheek	I remember you
Chicago	I thought about you
Close to you	I wanna be like you
Come fly with me	I wish I knew
Come rain or come shine	I won't dance

REPERTOIRE

I won't send roses
I'll be seeing you
I've got the world on a string
I'll never smile again
I'm gonna sit right down
I've got a crush on you
I've got you under my skin
If I only had a brain
If you never come to me
Is you is or is you ain't my baby
It had to be you
It was a very good year
It's impossible
It's that ole devil called love
Just you just me
Just the way you are
Killing Me Softly

She
Singin' in the rain
Sittin' on the dock of the bay
Smile
Smoke gets in your eyes
Someday my prince will come
Someone to watch over me
Something stupid
Somewhere over the rainbow
Stand by me
Stepping out with my baby
Stormy weather
Straighten up and fly right
Strangers in the night
Summertime
Sunny

REPERTOIRE

Sway	To make you feel my love
That old devil called love again	Too close for comfort
That's Amore	Unforgettable
That's life	Walking my baby back home
The best is yet to come	We have all the time in the world
The lady is a tramp	What a difference a day makes
The look of love	What a wonderful world
The summer wind	What'll I do
The very thought of you	When I fall in love
The way we were (memories)	When you wish upon a star
The way you look tonight	Why do fools fall in love
There is no greater love	Witchcraft
There will never be another you	Yesterday
These are the days	You are the sunshine of my life
These foolish things	You do something to me
They all laughed	You make me feel so young
They can't take that away from me	You'd be so nice to come home to
This masquerade	You're nobody till somebody loves you
Time after time	Young at heart
